

Dear Parents/ Guardians,

Please be informed that due to security measures undertaken by MC Online to ensure the internet safety of our children, the MC Online default password will be reset on a termly basis. The school will send you notifications on a termly basis to inform you of the new default password and the date it will commence. For Term 2, we have sent out the commencement date and new default password via SNAAPP on 29 March 2017. For those who do not have a SNAAPP account, your child will receive the hardcopy today.

If you need clarifications, please contact Mr John Chew at 67788050 (General Office).

Warmest Regards,

Mrs Jenny Lim
