International Friendship Day 2016

Dear Parents/Guardians,

Warm greetings to you!

As part of our National Education programme, we will be celebrating International Friendship Day on **Friday, 8 April 2016**.

As we get more globally connected, it is important to develop an appreciation of the diversity of the different nationalities, cultures and religions amidst us. It is also important to maintain good relations with our neighbouring countries and celebrate the diversity and vibrancy of the various nationalities who live around us.

The theme for this year is "**ASEAN**". To commemorate this day, we would like you to strongly encourage your child to come to school in a national costume from any country around the world.

We have also lined up three activities as part of the celebration:

1. **ASEAN Carnival Booths During Recess on 6th April (Wednesday)**

Prior to the celebration, there will be an ASEAN-themed carnival run by our NE ambassadors and teachers at the basketball court on Wednesday, 6th April. This carnival serves as a platform for pupils to understand more about our ASEAN neighbours and to catch a glimpse of what life in these countries is like. There will be information booths and games, such as "Spot the ASEAN country", "Match the Flag" and a traditional Indonesian game, "Bekel". Pupils who participate in the games stand to win some prizes.

2. **Performance in School Hall on 8th April (Friday)**

After a presentation on the significance of International Friendship Day, our pupils will be treated to a play entitled "Around the World on a Fiddle". Through the lenses of a violin, pupils will be taken on a musical and cultural journey around the world.

3. **Best Dressed Competition on 8th April (Friday)**

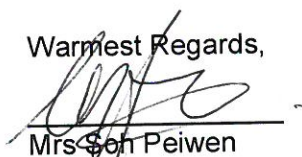

In celebration of the diversity of the different nationalities around the world, a best dressed competition will be held and pupils who are dressed in the national costumes from countries around the world will stand to win a prize.

We hope the pupils will have an enriching learning experience through the above activities and also have a better understanding of the importance of deepening international friendships.

We look forward to your support to make this year's International Friendship Day a success!

Thank you for your support.

Warmest Regards,

Mrs. Shih Peiwen
