

NJC Primary School Math Challenge 2012

Three P6 pupils took part in the Primary School Math Challenge 2012 hosted by National Junior College on 12 March 2012.

The students did the school, their parents and themselves proud as they had clinched the first prize in the School Team Competition and were awarded individual accolades as well, mainly, SOEPADMO TIMOTHY KURNIAWAN from 6T4 - 5th position, SIM HUA EN JOSHUA from 6T4 - 3rd position and WANG JIANZHI from 6E - 1st position.

The 3 of them clinched the first prize in the Team Project.
