Dear Parents / Guardians,

**Re: "March to Charity" 2016**

We are a group of Nan Hua Primary School P6 Prefects writing to you about our Values in Action Project name "March to Charity".

"March to Charity" has been a flagship event for the West Coast Community Club Youth Executive Committee for the past 16 years. When it first began in 1999, it started out as a simple half day affair to assist the residents in the community in clearing out their unwanted belongings for the Chinese New Year. Over the years, it has evolved into one where the recyclable items collected are converted into cash to benefit the senior citizens in the St Luke's Home, Jamiyah Home and the lower-income families in our community. Besides our school, other partners in this event include GRO Committees within the West Coast, Hwa Chong Institution, River Valley High, Raffles Institution, National University of Singapore and Nanyang Technological University. This is the fourth year that our school is collaborating with West Coast Community Club to spread festive cheers to the underprivileged residents in our community.

This year, the P6 Prefects are taking the lead in this event. Besides going from door-to-door on 28 January 2016 to collect recyclable items such as **old newspapers, magazines, books, clothes and electrical appliances** from the blocks in West Coast, there will also be a collection drive for these items in our school.

**Detail of the collection drive in school :**

<b>Date</b>	<b>26 – 28 January 2016</b>
<b>Time</b>	<b>1) 6.45 a.m. to 7.20a.m. 2) 1.30 p.m. to 2.00 p.m.</b>
<b>Place of collection</b>	<b>Basketball court</b>

The collected items will be sold and the amount raised goes towards benefiting the underprivileged members in our community. We would greatly appreciate your support in this project.
